The Waldo County YMCA recommends that all individuals consult their physician prior to beginning a new exercise program.

None of the following questions are for diagnostic or treatment purposes. Mark all true statements.

HISTORY - You have had:

- a heart attack
- coronary angioplasty (PTCA)
- defibrillator / rhythm disturbance
- heart transplantation
- embolism or aneurysm
- heart surgery
- pacemaker / implantable cardiac
- heart valve disease
- congenital heart disease
- cardiac catheterization
- angina pectoris
- heart failure
- stroke

If you have marked any of the statements in this section, we will need to have medical clearance prior to our scheduling a fitness orientation. The Physician Clearance Form is available at the front desk. This form requires your signature and your physician's name, address, and phone number. When we receive this information, we will fax the form to your healthcare provider. In most cases they are returned within 24 hours.

We aim to make your exercise experience to be as safe as possible. The information your physician provides can be invaluable when creating a safe exercise program.
