HOW TO RESERVE A 60-MINUTE SWIM, WORKOUT OR CLASS:

- Call our Front Desk at 338.4598 to reserve your time. You must speak with a person to be assured your time is reserved (please do not leave a voicemail for reservations). **RESERVATIONS ARE REQUIRED.**
- Reservations can be made up to 24 hours in advance ONLY. You may only reserve a one hour block. We want to give as many members as possible the opportunity to utilize their membership.
- You may also reserve a time for the following day when checking out.
- Fitness class schedules can be found online at: <https://waldocountymca.org/fitness%20for%20adults.htm>

HOW TO PREPARE AND WHAT TO EXPECT:

- Bring your own towel, water bottle and a **FACE COVERING**.
- Arrive on time. You may not enter your workout area until your reserved time. To allow our custodians to sanitize, please do not linger in locker rooms before or after your reservation.
- **PRIOR** to entering, we ask you to complete a self-assessment health questionnaire and sanitize your hands upon entry. ****PLEASE WEAR YOUR FACE COVERING WHEN ENTERING THE BUILDING and in ALL NON-PROGRAM SPACES** including, hallways, stairs and elevator where 6' physical distancing is difficult to maintain**. Adhere to specific program area guidelines on wearing face coverings.
- After you self-scan into the facility the Front Desk will confirm your reservation. (You will need to complete an updated waiver of participation upon your first visit into the facility.)

HOW WE ARE KEEPING OUR COMMUNITY HEALTHY AND SAFE:

- We are following **STRINGENT, FREQUENT & SCHEDULED CLEANING PROTOCOLS** throughout the day. There are no reservations available 9:00 - 10:00 a.m and 1:00 - 2:00 p.m. to allow for deep cleaning.
- We are limiting the use of our facilities to members and basing occupancy on CDC Guidelines.
- We ask all members to **SANITIZE** their hands when they enter and to run through the **SELF-SCREENING HEALTH ASSESSMENT** before each visit.
- We are requiring **FACE COVERINGS** to be worn in all non-program spaces. **Please mask up before you walk in.**
- For our most at-risk members who use the fitness (weight) room, we have **MASK ONLY** times available from 10:00- 11:00 a.m. and 2:00 - 3:00 p.m.
- Our facility will be open to Annual, 3-Month and New Members only until further notice.
- We are here to help! If you require special accommodations please call to discuss or email Membership Director, Bruce Osgood at bosgood@waldocountymca.org.

**Help us lead the community through this challenging time.
Stay strong. Stay safe. Stay with us.**

STAYING SAFE TOGETHER

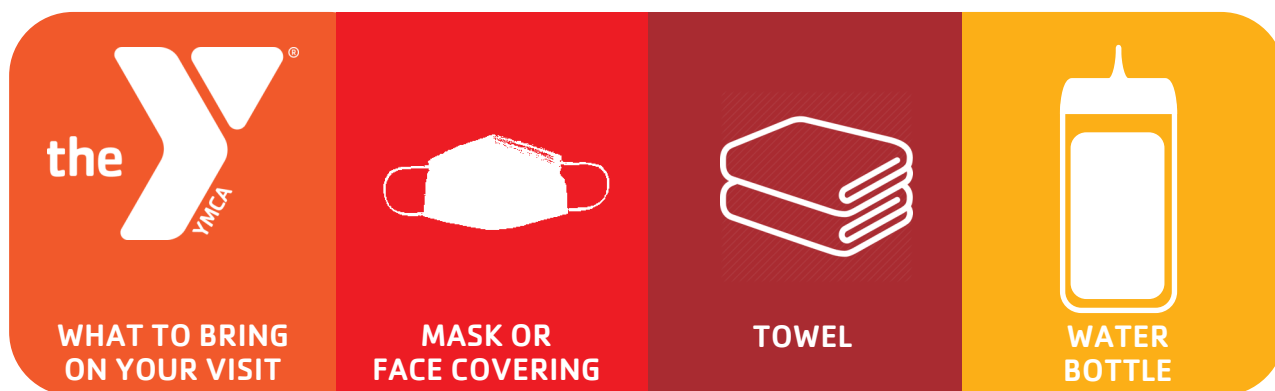

As we prepare to reopen our Waldo County YMCA facility we will be implementing the following safety protocols in an effort to reduce the health risks for members, staff and other visitors to our facility. We will be reopening in phases under the recommendations from the State of Maine Restarting Economy Guide.

WHAT THE Y IS DOING

- **Single Entry/Exit:** To maintain safety protocols, we will maintain a single entry/exit point for members.
- **PPE for All Staff:** All staff are required to wear personal protective equipment as necessary. Face coverings will be worn in all non-program areas and we will adhere to specific program area guidelines on wearing face coverings.
- **Self scan upon Entry:** Staff will not handle cards, phones or any other person's belongings.
- **Designed for Social/Physical Distance:** All open areas inside the Y have been evaluated and redesigned where necessary to help ensure social distancing between members. Signage will be placed prominently throughout the facility to drive awareness of this requirement.
- **Expect Reduced Capacity:** To ensure proper social/physical distancing, certain areas will have limited capacity. Please do not enter your intended workout location until your scheduled time.

HOW WE'RE ASKING MEMBERS TO HELP MAINTAIN SAFETY

- **Stay at Home if You're Sick:** Members should stay home if they don't feel well. The CDC and state public health officials encourage people at an increased risk for severe illness such as seniors and members of vulnerable populations, including those with underlying health conditions, to stay at home.
- **Be Ready for Health Self-Screening Questions:** All members will be asked to complete a self-assessment health questionnaire before entering the facility and to sanitize hands upon entry.
- **Bring a Face Covering, a Towel, a Mat and a Water Bottle:** The Y requests that members bring a mask: PLEASE WEAR YOUR FACE COVERING UPON ENTERING THE BUILDING and in all non-program spaces including, hallways, stairs and elevator where 6' physical distancing is difficult to maintain** Adhere to specific program area guidelines on wearing face coverings. Members will be asked to bring their own full water bottle and a workout towel (water fountains and towel service will not be provided).
- **Keep the Kids at Home:** We are unable to provide Kidz Corner babysitting service at this time and recommend you do not bring children and other family members with you as common area seating will be extremely limited.
- **Keep Your Distance:** Please exercise on designated equipment only and respect all signage regarding social/physical distancing. Strive to maintain at least six feet between you and others whenever possible.
- **Remember to Assist in the Wipe Down of Equipment:** Please help us reduce the risk of exposure by wiping down all equipment you've personally used with the provided cleaning solution and paper towels.
